

Elaine Theisen Diamond Ice FSC Fund for Special Olympics and Therapeutic Skating 2018 Application

The Elaine Theisen Diamond Ice FSC Fund for Special Olympics and Therapeutic Skating (Elaine Theisen Fund) was established in 2012 to provide grants to Special Olympics/Therapeutic Skating (SO/TS) programs or to member clubs who wish to enhance or expand their operations to attract, involve and encourage new generations of skaters.

One grant of \$500 will be awarded annually to an existing SO/TS program within a U.S. Figure Skating member club and/or a U.S. Figure Skating member club that wishes to develop a new SO/TS program. The programs selected will most effectively demonstrate how grant monies will be used to expand or improve opportunities for Special Olympics and Therapeutic Skating participants.

A completed application will include the following:

1. A paper application, signed by a club officer, included here.
2. A concise history of the member club and/or SO/TS program applying for the grant, from conception to fruition. This history must include the mission of the member club and the existing/proposed structure of a SO/TS program within the member club.
3. A concise business plan for the use of Elaine Theisen Fund support, including:
 - Current or proposed operations of a SO/TS program (hours, participants, programs offered, etc.);
 - Background of current/proposed program administrators and/or staff;
 - Proposed changes/enhancements to be made with Elaine Theisen Fund support;
 - A 12-month plan of action for implementing any proposed changes/enhancements;
 - Metrics that will be used to measure the success of any changes/enhancements;
 - Potential benefits of the changes/enhancements to the program, club and surrounding community.

To apply, please submit a completed application to Kimberly Hines, Director, Membership Development:
