

Per U.S. Figure Skating Rule TR 2.03: "All tests, when marked "retry," may not be retaken prior to the 27th day following the date of the original test. Example: A test taken on May 1 and marked "retry" may not be retaken before May 28, the 28th being the 27th day following the date of the original test. For the purposes of this rule, a moves in the field test taken as a masters candidate is considered the same as the same level moves in the field test taken as an adult or standard candidate. If a candidate is submitting an IJS protocol from a U.S. Figure Skating sanctioned nonqualifying competition for test credit, the waiting period does not apply."
