JET Name _____
 Signature _____

JET Name _____
 Signature _____

Instructions for use: The Trial Judge Chair must make enough copies for each judge to have one sheet for every two skaters for whom they are doing element ID based on the JET's decision. The assigned JET should sign the bottom of the form. The original signed sheet is then sent to the JETs Vice-Chair for grading. The JETs Vice-Chair will notify the RVC of the results and the RVC will notify the Trial Judge and Monitor.
